

Benefits of Herd's Slam Latch

▶ Instant Access

One pull of the Slam Latch handle and you can lower your herd for instant access to your engine.

▶ Fast Pre-Trip Inspections

No eyebolts means it's easy to access your engine and perform routine maintenance.

▶ Rattle-Free!

Specially designed hinges and anti-vibration material ensure rattle-free operation.

▶ Lightest & Easiest to Operate

when combined with HERD's new Lift Assist! Lift weight is reduced to as little as 13 lbs. Find out more at HERD.com/LiftAssist

**All the Strength
Durability & Protection –
without the eyebolts**
