

## General Safety

- Take time to fully read the instructions before installing the HERD guard.

- At all times exercise safe work shop practices, wear safety glasses, steel toe boots, protective gloves, and hearing protection during installation.

- Parts and components of the HERD guard can be heavy, please handle with care to avoid injuries.
- Respect power tools and use them as advertised.
- Please contact us for any assistance:

## Important

- HERD Guards are vehicle "Make & Model" specific. Use of a guard on a vehicle other than the model it was designed for will constitute improper use of the product and will void HERD product warranty.
- Unless otherwise specified, Grade 8 or Class 10.9 hardware is to be used. For the purposes of these instructions, OE hardware means the truck's original factory hardware.
- For further detail of warranty coverage and warranty repair information visit [www.HERD.com](http://www.HERD.com).
