

INSTALLATION INSTRUCTIONS

Item #Vehicle DescriptionIN23International Terrastar (4x4 and Non 4x4 versions)

## **IMPORTANT**

- A Herd Bullbars are vehicle "Make & Model" specific. Use of a bullbar on a vehicle other than the model it was designed for will consitute improper use of the product and may void warranty.
- **B** Unless otherwise specified, Grade 8 hardware is to be used. For the purposes of these instructions, OE hardware means the truck's original factory hardware.
- **C** The drop-forged eyebolts are an integral part of the strength of Herd bullbars. When tightened <u>firmly</u>, they will minimize vibration and provide superior impact resistance.
- **D** To help maintain the factory finish, avoid acid wash.

## Step

1 Remove factory bumper held on by 4 torx head screws as shown.

2 Remove factory tow hook and top bolt that attach cross member to frame mounts as shown (both sides).

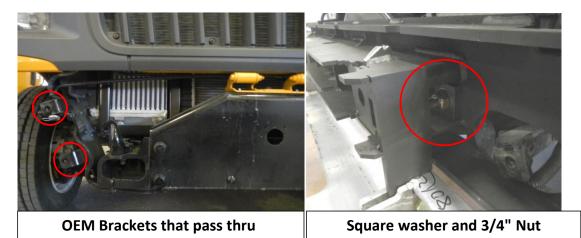

Remove Factory hardware as shown

Factory hardware removed

3 Install Herd tow section mount assembly bracket to truck using herd supplied hardware (both sides).

Install Herd steel bracket to truck using OEM hardware in cross member holes along with Herd supplied square washers and 3/4" nuts for receiver mounts installed above. Ensure that OEM bumper bracket faces pass through openings in Herd bracket.

4 Verify that all mounting locations are used

4

5 Attach bullbar to bracket using Herd supplied hinge bolts

\* For DFLT & Defender models only: To install the hinge bolts, the bumper must be in the open (down) position to allow the bottom lip to go under and around the steel hinge.

- 7 Wire driving lights to existing wiring (if applicable)
- 8 Insert towpin and tighten eyebolts (75-100 ft-lbs)
- 9 Re-check the mounting bracket and bolts after the first 5,000km and every 3-6 months.

Eyebolts are secured in the channel with a 7/8" rubber washer. If you need to re-install the washer, insert the eyebolt into the hole, and thread a washer onto the back side of the eyebolt, approximately halfway onto the threaded part of the eyebolt.
